No one understands the
CHALLENGES
you face

like your credit union peers.

Regulatory requirements are changing, lending margins are slim and you're under constant pressure to manage risk more effectively.

You need a professional organization that understands lending and the unique challenges of the credit union movement.

Discover the CUNA Lending Council.

RISK MANAGEMENT
with a credit union focus.

Savvy, practical and industry focused, we're the only lending organization that's run for credit union professionals, by credit union professionals.

STAY CONNECTED

to the movement and your peers!

MEMBERS

Passionate people, ideas, original content and relevant resources.

HONORS

Excellence in Lending Awards recognize outstanding lending practices.

CONNECT

The premier connection point for credit union innovators.

RESOURCES

Access to white papers, research, virtual roundtables and best practices.

INSIDER KNOWLEDGE

Keep current with changing regulatory issues and industry trends.

SCHOLARSHIPS

Each year we grant scholarships valued at thousands of dollars.

"The Council means always having access to timely and relevant resource material, always being welcomed when wanting to get involved, and always finding new and interesting people to connect with."

Mike Long, UW Credit Union

"There is no better source for collective knowledge and resources within a functional area than CUNA Councils."

Gayle Gustafson, iQ Credit Union

"Membership in CUNA Councils is a personal development opportunity and it will make you more valuable to your credit union. It prepares you for your next leadership role and offers a great value and opportunity to know your industry peers and bring that knowledge back to your credit union."

Bob Stowell, Firefly Credit Union
